For Back

MADE IN JAPAN

21cm length  
foldable handle razor

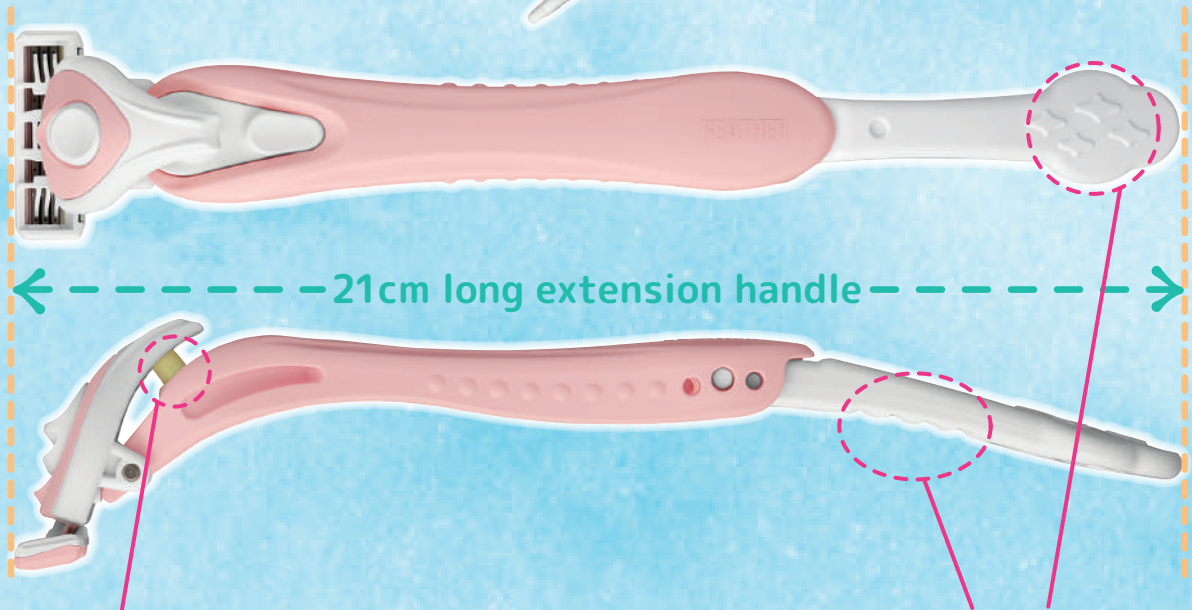

# Feature

## 21cm length foldable handle razor

A long handle structure allows an easy and gentle shave for back hair removal with an extension handle.

### Suspension

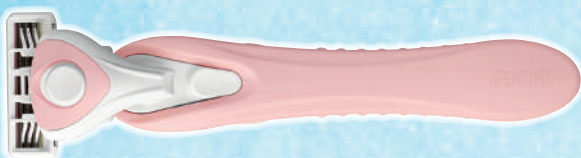

A head with suspension gives a close contact with any rough area on skin.

### Slip-resistant grip

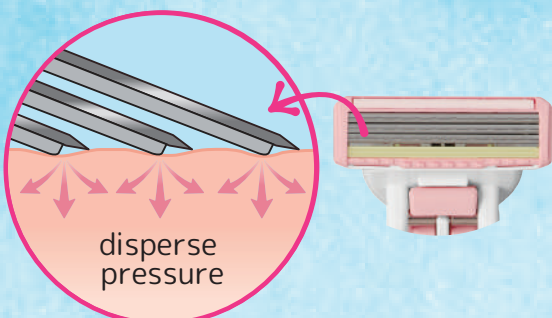

Easy to grab and use it in wet hands. It hardly slips out of your hands.

## For body as well

2way razor is for body, arms, underarms and legs.

Slip resistance grip gives a safe shave.

## Gentle touch to skin

Using the mild blade will disperse a pressure at the blade edge and reduce the burden on the skin.

# Scene

Hair removal should be done when wearing...

Camisole  
Swimsuit  
Backless dress...
